Davis joined Tioga Medical Center in 2014. For the last nine years, she has overseen clinical operations as clinic manager. She will transition to her new role in the coming months.

'Our Flag doesn't fly because the wind moves it. It flies with the last breath of each soldier who died protecting it'

Meaning Behind the 13 Folds of Old Glory:

The flag-folding ceremony represents the same religious principles on which our great country was originally founded.

1. The first fold of our flag is a symbol of life.
2. The second fold is a symbol of our belief in eternal life.
3. The third fold is made in honor and remembrance of the veteran departing our ranks, and who gave a portion of his or her life for the defense of our country to attain peace throughout the world.
4. The fourth fold represents our weaker nature; as American citizens trusting in God, it is Him we turn to in times of peace, as well as in times of war, for His divine guidance.
5. The fifth fold is a tribute to our country. In the words of Stephen Decatur, "Our country, in dealing with other countries, may she always be right, but it is still our country, right or wrong."
6. The sixth fold is for where our hearts lie. It is with our heart that we pledge allegiance to the flag of the United States of America, and to the republic for which it stands, one nation under God, indivisible, with liberty and justice for all.
7. The seventh fold is a tribute to our armed forces, for it is through the armed forces that we protect our country and our flag against all enemies, whether they be found within or without the boundaries of our republic.
8. The eighth fold is a tribute to the one who entered into the valley of the shadow of death, that we might see the light of day, and to honor our mother, for whom it flies on Mother's Day.
9. The ninth fold is a tribute to womanhood. It has been through their faith, love, loyalty and devotion that has molded the character of the men and women who have made this country great.
10. The 10th fold is a tribute to father, who has also given his sons and daughters for the defense of our country since he or she was first born.
11. The 11th fold represents the lower portion of the seal of King David and King Solomon and glorifies the God of Abraham, Isaac and Jacob.
12. The 12th fold represents an emblem of eternity and glorifies God the Father, the Son and Holy Ghost.
13. The 13th and last fold, when the flag is completely folded, the stars are uppermost, reminding us of our national motto, "In God We Trust."

After the Folding Ceremony

After the flag is completely folded and tucked in, it has the appearance of a cocked hat, ever reminding us of the soldiers who served under Gen. George Washington and the sailors and Marines who served under Capt. John Paul Jones and were followed by their comrades and shipmates in the U.S. Armed Forces, preserving for us the rights, privileges and freedoms we enjoy today.

Tioga Rec Council gears up for a great summer! - Tioga Rec President, Pat Alberts

Summer is almost here which means it's baseball and softball season! The Tioga Rec Council plays a vital role in coordinating teams, games, and employing coaches for all of our summer baseball and softball teams. The Rec Council strives to have a team for all ages and currently has teams for T-Ball, PeeWee Coach Pitch, PeeWee Player Pitch, Midgets, 10u Softball, 12u Softball, 18u Softball, and are hoping to be able to fill a full Babe Ruth roster this season as well. Currently, we have over 120 kids signed up across all teams and anticipate roughly 150 kids to join by the time the season starts. Our registration ends on May 20th this year, so please get those kids signed up!

Practices begin on May 21st for PeeWee & Midget teams, while T-ball & Softball teams begin on May 28th. Our first home games kick off vs Crosby at 4:00pm on June 3rd for T-Ball, both PeeWee teams, and Midgets. Softball teams host their first game vs Powers Lake on June 6th starting at 5:00. We encourage the community to come down and cheer on the kids!

This year, we have a new Rec Director, Kayelee Hamers, joining us to help us with managing all our teams throughout the summer. Kayelee has been involved with the Tioga Rec Council for several years and also serves as the assistant coach for the Tioga High School Softball team. Kayelee brings a plethora of knowledge around the game of baseball/softball to the Rec Council, and we are extremely excited to have her on board to steer this ship for the summer!

The Tioga Rec Council cannot do this alone, which is why we'd like to give a big THANK YOU to the City of Tioga and Tioga Park employees. The city works with us to block off the street near the fields to allow us to practice and hold games with the safety of the kids in mind. The park employees always have our fields in tip top shape throughout the season. Without the coordination with those two entities, we would not be able to provide these activities to the kids in the community. Whether it is mowing the fields or parking area, field prep, or taking care of the concession area and pavilion, we couldn't do any of this without the assistance they provide and are extremely thankful. Our board is truly a working board. Most of the time we are helping year-round to support all the sports that we offer. Whether that is running camps, reffing/umping, working concessions, sport specific details including hiring coaches, ordering uniforms, equipment and much much more! The board is made up of Pat Alberts (President), Sarah Davis (Vice President), Wendy Lenzen (Treasurer/Secretary), Jeremy Wallin, Carter Valliere, Tara Mosley, and Rachelle Rehak. If you would like to keep up on the many things happening with the Tioga Rec Council, please follow us on our Facebook page. The Tioga Rec Council supports roughly 300 kids throughout the year. The sports we offer include Flag Football, Tackle Football, Cross Country, Volleyball, Boys Basketball, Girls Basketball, Baseball, and Softball. We are always looking for more help, so if you want to volunteer your time, please reach out to us on our Facebook page or contact one of our board members.
